The Forum on Initiatives Attracting Global Finance Functions was held.

The purpose of this forum was to accelerate our efforts of attracting international financial functions while providing local businesses and the citizens with opportunities to have better understanding about the initiative.

The keynote speaker, Kyoya Okazawa, Global Financial Business Attraction Ambassador of Fukuoka City, delivered a speech entitled “Fund—Solutions to Social Issues”.

Following the speech, he participated in the top leaders’ session with other panelists, including Sumio Kuratomi, the Chairman of Kyushu Economic Federation; Kazuhiro Ikebe, President of Kyushu Electric Power; and Soichiro Takashima, Mayor of Fukuoka City, with the moderator Shuheii Ishimaru, Director General of Fukuoka D. C. Under the topic of “Fukuoka’s Vision for Global Financial City“, they exchanged their views and ideas on future directions to become a global financial city.

After the session, the representatives of Nayuta Co.,Ltd and Y’s Global Vision Co., Ltd. shared their own experiences on benefits of receiving funding from foreign asset management companies. In addition, the representatives of CapBridge Financial Pte. Ltd. and M-DAQ Pte.Ltd., from Singapore, explained reasons why they chose Fukuoka as the destination or a potential destination for expansion.

At the networking, the participants enjoyed face-to-face interaction.
